Copyright Assignment and Affirmation of Originality

The author(s) hereby affirm(s) that the manuscript entitled _____

is original, that it has not been published before, in total or in part, and is not currently being submitted or considered elsewhere for publication in total or in part.

By signing this statement, the authors of this manuscript accept the following terms and conditions:

Authors retain copyright and grant Acta Medica Academica the exclusive license and right of first publication with the work simultaneously licensed under a Creative Commons License (Attribution 4.0 International <https://creativecommons.org/licenses/by/4.0/>) which allows the work to be freely downloaded, reused, reprinted, modified, distributed and/or copied as long as the original authors and source are cited. Appropriate attribution can be provided by simply citing the original article.

The principal author must sign below on behalf of all the co-authors, for the above work to be considered for publication, and thereby assigns and transfers to the Academy of Sciences and Arts of Bosnia and Herzegovina all rights related thereto.

Date: _____

Full Name: _____

Signature: _____

Please upload this form together with your online manuscript submission since your manuscript cannot be assigned for review without it.
